His two hits scored four runs, and he crossed the plate himself with another. Oldring, who has made a safe hit the first time up in every game of the series, earned the honor of the longest hit made by the Athletics today when he tripled in the opening inning on the first ball that Demaree served up. It was not alone by batting that the Athletics won however, for both their fielding and Bender's pitching were factors that helped to bring victory. The Indian twirler was at the top of his form, except in the seventh and eighth innings, being steady and having absolute control of his breaks and curves. He gave but one base on balls and hit one batter. The Glants garnered but two hits off his delivery until seventh, and their sum total was eight, while the redman fanned five as a sort Oldring's Great Stop.
